

Learn about the Final Improvements to SR 188

Wednesday, September 14, 2005

4:30 P.M. to 6:30 P.M.

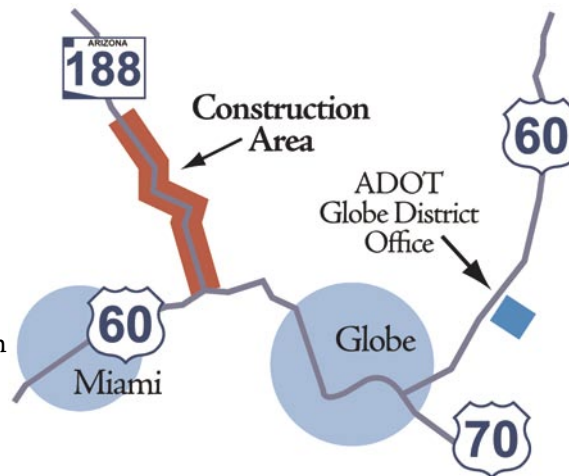

Cobre Valley Hospital

5880 South Hospital Drive, Globe

Medical Office Building (MOB)

Rooms A & B

The Arizona Department of Transportation (ADOT) and FNF Construction, Inc. will be conducting an open house to inform the public about a \$10 million project that is the final phase to modernize SR 188 between Globe and Roosevelt Dam. This phase of the project will widen the highway to four lanes from the Wheatfields area (mile post 218.8) to Miami Wash Bridge (mile post 217) and widen to five lanes from Miami Wash Bridge to the intersection of US 60 and SR 188 (mile post 215). The work will also include widening the existing Miami Wash Bridge from two to four lanes and drainage improvements through out the project.

Stop by anytime between 4:30 P.M. and 6:30 P.M. to review design plans, construction schedules, and meet the people that are working to improve the roadway in your area. Light refreshments will be provided.

Persons with a disability may request accommodations, such as a sign language interpreter, by contacting Joan or Angela at telephone number (888) 472-1930, fax (520) 885-0311, or email joan@kaneenpr.com. Please make requests as early as possible to allow time to arrange for these accommodations. This document is also available in alternate formats by contacting Joan or Angela.

Every effort will be made to provide you with updates regarding the construction improvements on SR 188. If you have any questions or need additional information, please do not hesitate to call Joan or Angela at (888) 472-1930.
